Hello All,

We have been asked to pull together a list of ORD staff involved in Pavillion. I took a first cut. Please look at the attached and let me know if I am missing anyone. We will run this by others next week,

Thank,

Please take a first cut at this working with Randall, Steve and Cindy in the next couple of days. We can involve others in updating it next week.

Thanks.

Gary

Hi Gary.

Can you provide a listing of everyone in ORD who has worked on Pavillion and/or who would be interested in the learning about the current direction?

Best,

jose
